14 Flexible Packaging

15 2021
Leek, Kempton

As a leading European supplier of highly specialised flexible packaging solutions, Schur Flexibles has made sustainability a core purpose. Founded in 2012, SF connects 2,200 employees and 23 production sites in eleven countries.

ISO-9001:2015

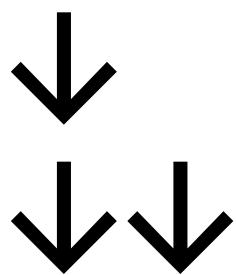

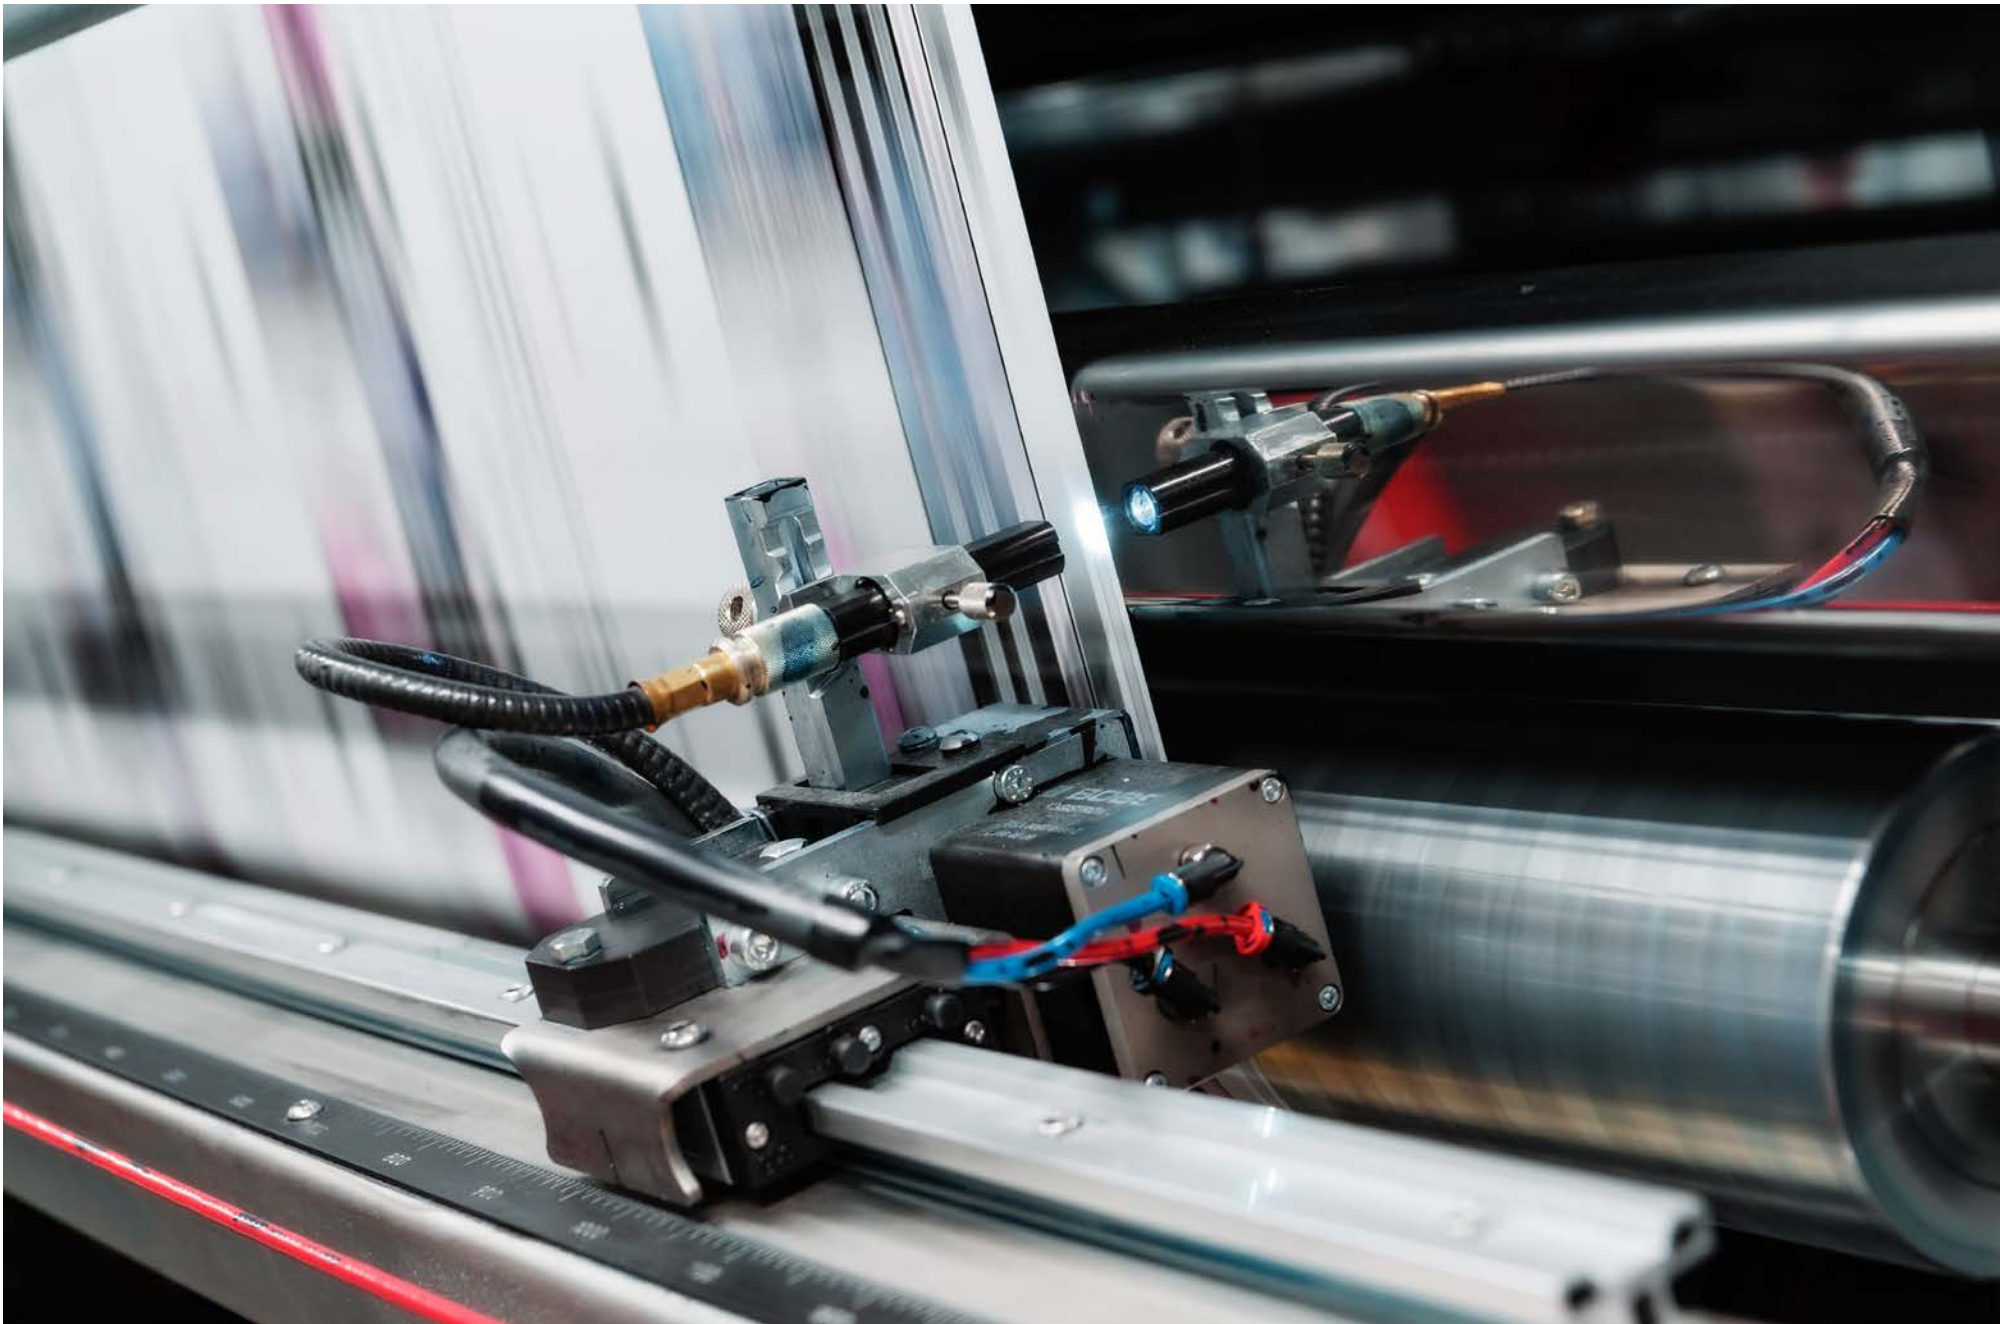

16 Flexible Packaging

I photographed the new corporate photos and visited production sites in Leek, Netherlands and in Kempten, Germany

22 rePET

23 2020
Bad Vöslau

rePEt stays for recycled plastic bottles. Since 2020 Austrian company Vöslauer entirely uses them in their production to reduce waste.

26 Noah's Train

27 2019
Wien

Noah's Train, the ambassador of the Rail Freight Forward coalition, is the longest mobile artwork and is inspired by the oldest history of environmental protection, Noah's Ark. Photographed for ÖBB.
